FIFTEEN CENTS

Ice Fishing Derby this weekend

Annual event to attract throng

The combined Ice Fishing Derby of the Northern Illinois Conservation Club and the 885 Civic Club of Antioch will be held, as in the past several years, on the ice at the south end of Channel Lake on Saturday and Sunday.

The annual event has become the largest and richest gathering of fishermen and prizes in the Midwest and has, each year, provided several thousand persons an opportunity to win prizes for outstanding catches.

Other events are held to determine prize winners, including games and races for youngsters and adults.

THE 1978 GRAND prize is a Zenith family home entertainment center which contains a large color TV, AM&FM stereo and a tape deck. Last year's winners were Lake Villa residents who were in the process of getting their new home furnished.

In addition, a trip to Las Vegas for two persons has been contributed by the State Bank of Antioch.

John Teresi Chevy-Olds has donated a Jiffy power auger and Lyons-Ryan Ford has added a 10-speed Schwinn bicycle to the list of prizes.

Strang Funeral Home has provided a rod and reel set while Pedersen Bros. Implement Co. supplemented the total with a McCulloch Chain Saw.

Patrolman promoted to sergeant

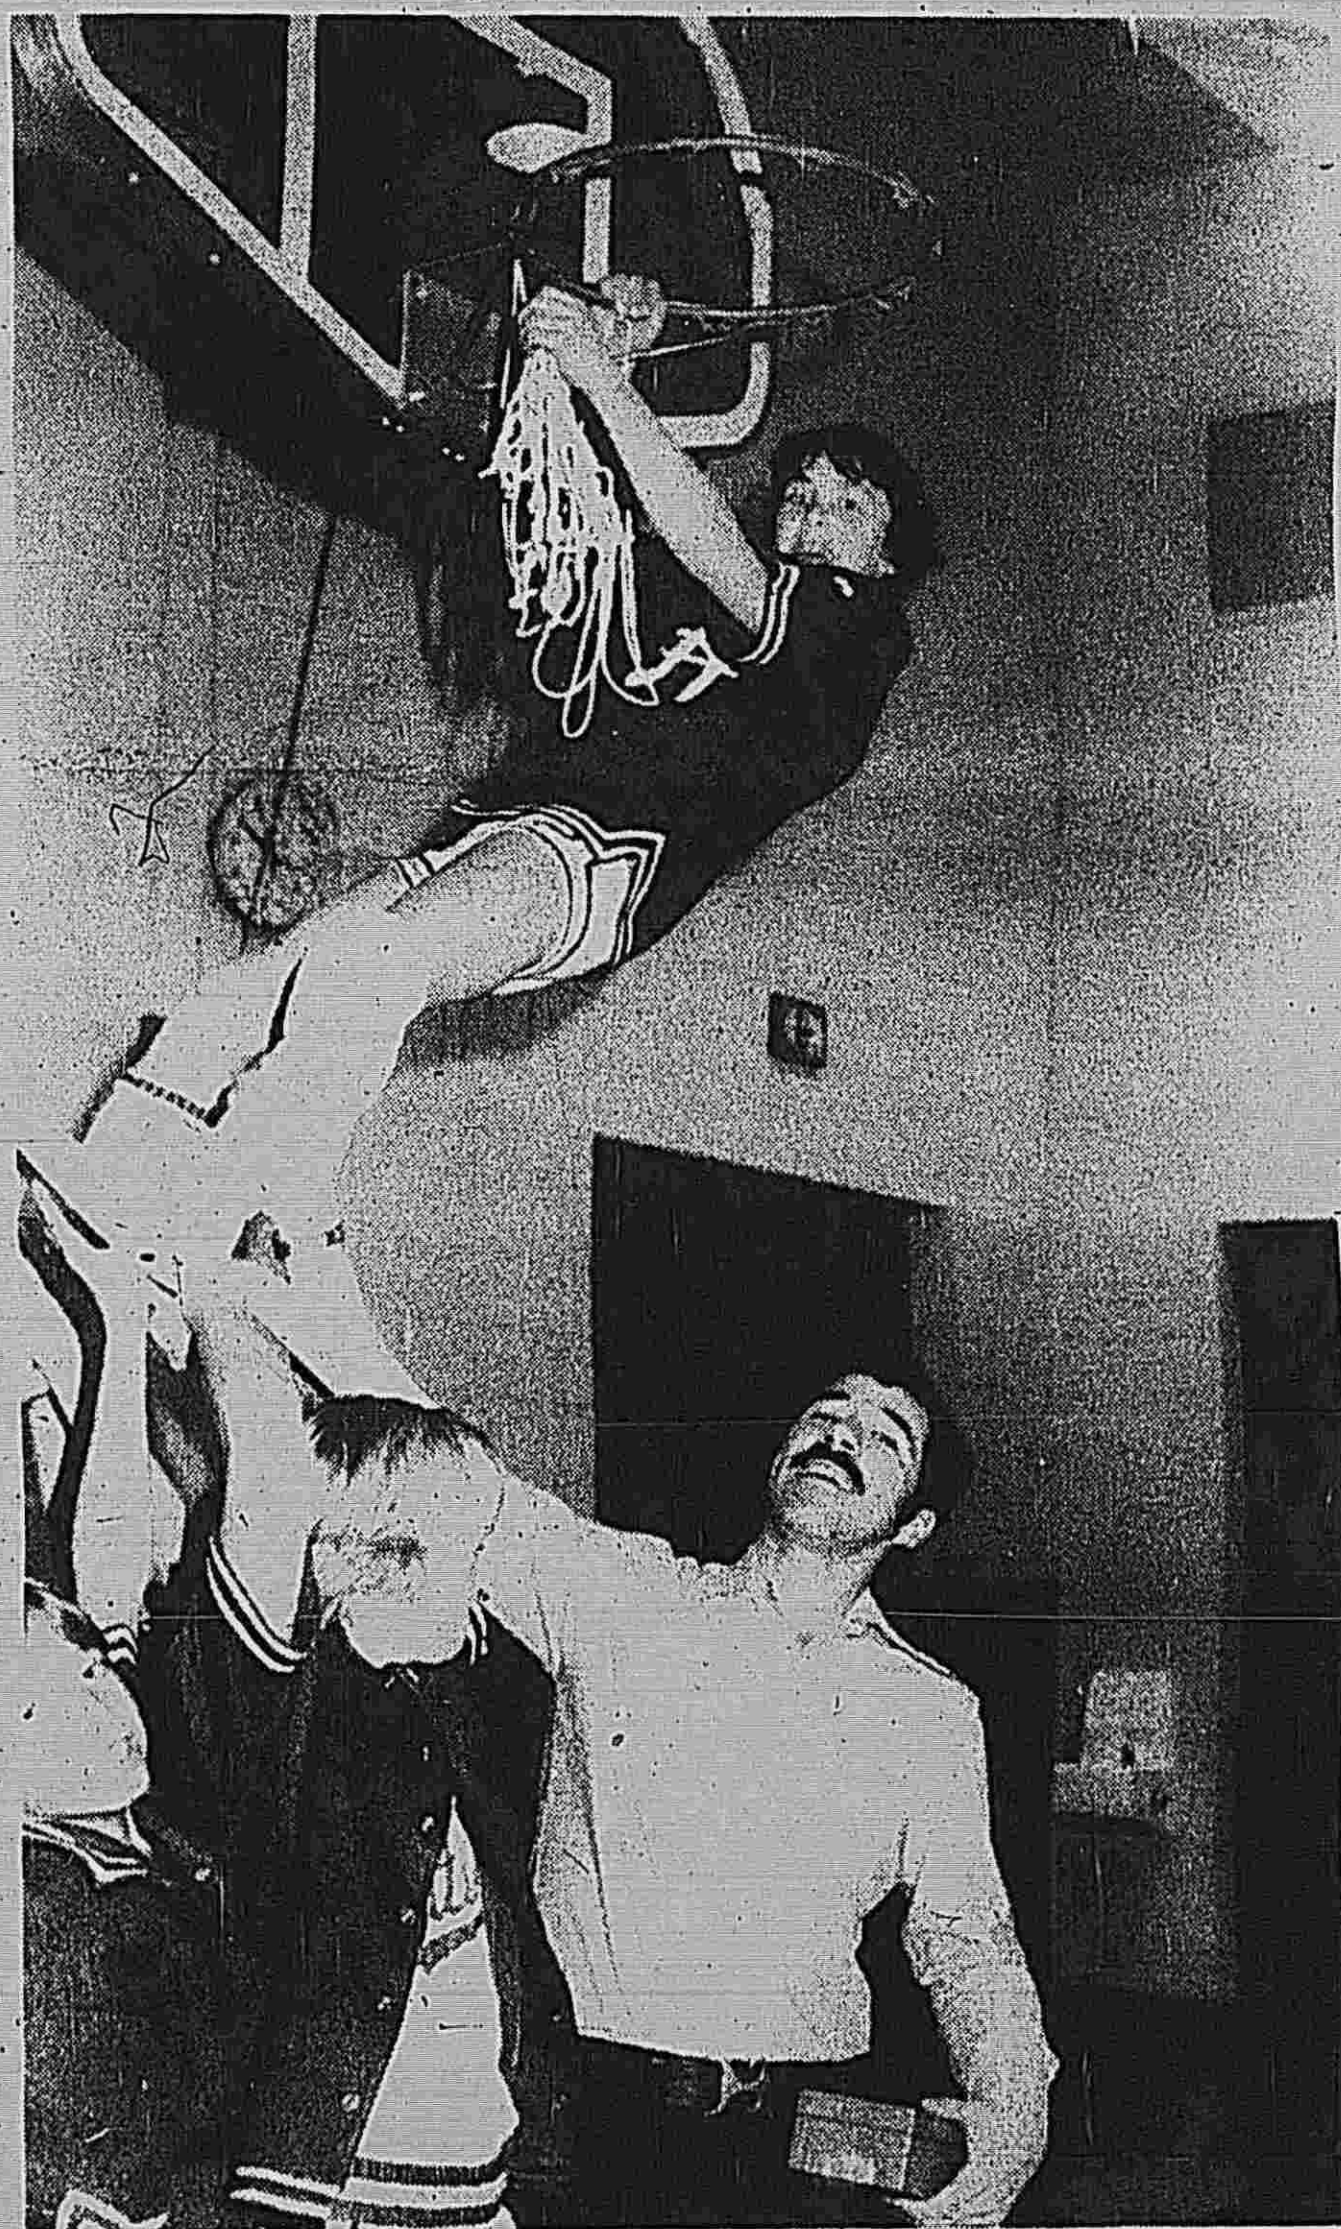

Charles Watkins has been promoted from patrolman to sergeant on the Antioch police department.

The promotion was recommended by the village police committee.

The village also, Monday night, signed a contract with Eric Bolander Construction Company for the paving and drainage project at North Ave. and Main St. The project will be paid for by motor fuel tax funds.

Trustees also issued a one-day liquor license for the Ducks Unlimited dinner to be held Wednesday, Mar. 1, at the auction barn on North Ave.

Where do you vote in March?

Some village and township residents have had their voting places changed for the March primary election.

For example, some per-

sons who formerly voted at the village hall now will cast their ballots at the high school.

ship Republican Club, said:

ONE OF THE ATTRACTIONS at this week's Antioch Ice Fishing Derby will be sled dog races. The derby will be held on the ice at the south end of Channel Lake on Saturday and Sunday. Many prizes await those who attend. The event is sponsored jointly by the 885 Civic Club and the Northern Illinois Conservation Club.

To the Editor:

Hooray, hurrah and three cheers! For women's lib. There isn't anything they won't tackle. Now they are into the obscene telephone call thing.

The other night at 10:30 p.m. my phone rang and a woman started in using foul language, so I immediately hung up.

In three months (May, to be exact) I will be 80 years, so naturally I was frightened.

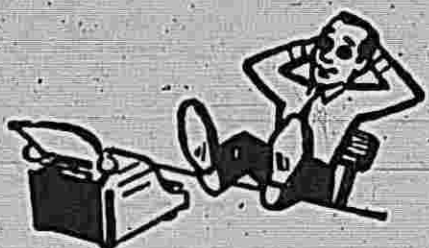

On thinking it over, I should be flattered. Now I need a few whistles from some truck drivers and I will feel like 16 again.

the Pfarr Corner

Male chauvinist drummer isn't appreciated

By JERRY PFARR

After two weeks of spending my extremely valuable time offering advice to the lovelorn, trying to help the less fortunate, I have received an insult.

A young woman wrote in to say: "The Pfarr Corner column which appeared in your Jan. 25 edition was not at all humorous." (Editor's note: It was too!)

The young woman continued: "The column insulted both women and men through the use of sexual stereotypes. Racial jokes are not used by the media and the same should hold true for sexist jokes. The Antioch News professes to be 'a newspaper dedicated to people marching to their own drummers.' Yet the Pfarr column was obviously promoting a march to a sexist drum."

Gosh, lady, don't get mad at me just because there are two sexes and one was put on this earth, to serve the other. I didn't make the rules you know.

ANOTHER LETTER was more flattering. It said: Dear Gerard:

I have an uncle who is charming, witty, handsome, intelligent and probably the nicest all-around person in the whole world. My problem is -- how can I be more like him?

Love,
Sherri

P.S. Uncle Gerard, my birthday is next week.

IT APPEARS THAT my niece, Sherri, is looking for a birthday present.

Library faces 'dilemma'

The Antioch Township Library is faced with the problem of how to get its long overdue materials back.

The problem of material checked out but not returned is not new but is increasing in libraries all over the country.

"More and more libraries are turning to the law for help. Some states issue summons for the patron to appear in court, and at some libraries, the names of patrons and materials are handed over to the police departments," said Betty Lu Williams, Antioch's librarian.

According to Illinois law, the corporate authorities can provide suitable penalties for persons failing to return borrowed material or pay for lost or damaged material belonging to a library.

THE POLICY of the Antioch Township Library has been to send out three notices with the third notice giving the price of the material. Also, at least one phone call is made.

Children's application cards are signed by a parent or guardian, therefore they assume responsibility for material borrowed on the child's card.

With the increase in cost of library material and the increase of library material borrowed but not returned, the Antioch Township Library board of directors has decided to publish the names of delin-

quent patrons in the newspapers if deemed necessary.

returning library materials or reimbursing for same," Betty Lu said.

The first scoliosis screening program for Antioch Grade School District 34 will be conducted Feb. 22 and 23.

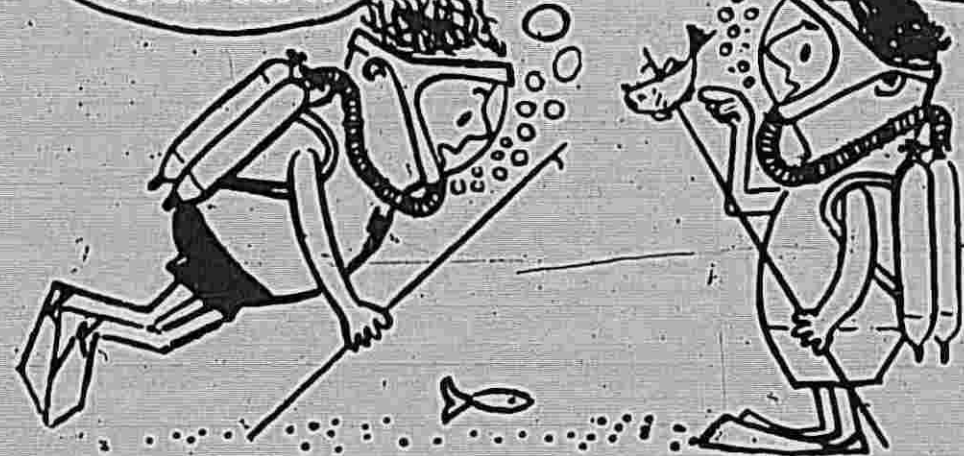

Pat Kirkpatrick, school nurse, will be assisted by physical therapists from the Chicago Medical School.

Scoliosis, the cause of which is unknown, is a lateral curvature of the spine, most commonly detected in children from 10 to 14 years of age.

Scoliosis screening has been given national endorsement by surgeons. The American Academy of Surgeons said it recognizes that, by early detection, more appropriate treatment can be given. If screening indicates there may be a problem, parents will be advised by the school nurse to seek diagnosis. Parents objecting to the exam for their children should call their child's school.

National award to Antioch man

Thomas G. Robinson Jr. of Antioch has been presented a special National Weather Service Award in recognition of his 10 years as a cooperative observer in the Antioch area.

The award—a service pin—recognizes Mr. Robinson's faithful service in the National Weather Service's cooperative weather observer program.

Observations of temperature and precipitation are taken and recorded daily by Mr. Robinson. The weather record he maintains directly contributes to the determination of local, state and national climate—a knowledge essential to agriculture and industry as well as the social and economic welfare of the local community.

Mr. Robinson's enthusiasm for weather does not stop with his daily observing duties but carries over to his work at Channel Lake grade school. He maintains charts of daily temperature as well as monthly and yearly amounts for the children at the school to inspect and become better acquainted with the weather in the local area.

Mr. Robinson's snow chart shows the Antioch area about to surpass the greatest seasonal snowfall recorded. Tom is also providing temperatures from his weather station for morning radio listeners in the Antioch area.

885 club raises money to make Antioch area a better community

By CHARLES P. RAYMAN

In mid-1968 a group of Masonic Lodge members and their ladies, recognizing the need for other than governmental support of public projects in the Chain of Lakes area, met to do something about it. Then a new entity was born.

Tabbed with an identity related to the Lodge (at 885 Main St.) the 885 Civic Club adopted as its credo, "Build Today for a Better Tomorrow" and applied for Illinois Charter as a not-for-profit organization.

FOUNDING OFFICERS were James Williams, president; Charles Rayman, vice president; Robert Duha, secretary; Robert Sachs, treasurer, and original membership was just under 100.

The club, now celebrating its 10th anniversary, has persevered in its fund-raising efforts and support for various community needs and today has 152 members. With meetings scheduled for the first Monday of each month, the membership was quickly opened to all persons who also recognize the on-going demand for civic improvement.

Officers for 1978 are Norman Rockow, president; Charles Rayman, vice president; Joseph Titus, secretary, and Earl Stringer, treasurer.

SINCE ITS INCEPTION the club has made regular monthly contributions to the Rescue Squad, sizeable donations (\$1,000) to the Hiram Buttrick Sawmill bicentennial restoration project and to the Underwater Recovery Team of the Fire Department for purchase of a new boat. Also, \$500 for a new bike stand at the library, in addition to donations to the Lions Club and to Ducks Unlimited to assist in their community efforts.

When Doc Jensen Park was planned, the 885 Club

tendered a construction assist.

THE CLUB'S MAJOR fund-raising effort is the annual combined Ice Fishing Derby held jointly with the Northern Illinois Conservation Club, scheduled Feb. 11 and 12 on Channel Lake.

This is the largest and richest event of its kind in the state and draws visitors and participants in excess of 5,000 persons during the 2-day program.

Club membership dues are \$2 and all persons having an interest in community improvement and wishing to join the 885 Club in its efforts are urged to contact Joe Titus at 395-2621 for complete information.

STATE BANK OF ANTIOCH'S recent installation of three new Burroughs S1000 proof machines is monitored by financial marketing representative for Burroughs Corporation, Rich Hawkinson (right) as items are processed by proof operator Nanci Eberman (seated). Lorraine Toton (left), supervisor of the bookkeeping and proof departments, and Betty

Sutcliffe, vice-president and cashier of the State Bank (center) have been working closely with proof personnel and Burroughs in the adaptation of the S1000 to processing of all checks, deposits, loan payments and all other financial documents which pass from all areas of the bank through the proof system.

State Bank installs new 'proof machines'

William E. Brook, president of the State Bank of Antioch, has announced the installation of three new Burroughs S1000 proof machines to facilitate processing of all bank transactions through the bookkeeping and proof departments.

In this often unseen area of the State Bank, checks, deposits, loan payments, and all other financial

documents filter from areas of the bank each day through the proof department.

Each single processable item, as it is fed into the S1000 machine, is provided with the functions of (1) MICR encoding (machine readable numbering), (2) automatic distribution of items into specific pockets (so that they can more readily be sent to the next distribution point), (3) accumulation of 97 separate totals (used in the bank's daily balancing process), and (4) daily proof of customer transactions.

Mr. Brook emphasized that this newest installation has been made in the continuing effort to better serve State Bank customers.

The board last Thursday approved a federal application for library materials in the amount of \$3,634.

It also approved the low bids of Superior Bus Body Company and Olson Implement Company for two buses.

THE USE OF THE cafeteria by the College of Lake County was okayed as a polling place for its Mar. 18 referendum.

The Blue and Gold banquets of Cub Pack 192 on Sunday, Feb. 12, and Cub Pack 191 on Sunday, Feb. 19, will be held in the high school cafeteria.

FINANCIAL DONATIONS ARE STILL needed. A total of \$12,000 is needed to get the saw running and \$22,000 to have a complete park. The American Legion has made a donation and the VFW and Rotary Club are expected to contribute also. How about you?

CONGRATULATIONS TO Trip Hagstrom on his marriage coming up Saturday. The bride will be Kim Gottschalk.

Irene Klemz, former owner of Irene's Flair Coiffures, won \$500 on the instant lottery Feb. 4, her birthday, of all things. She bought the ticket at The Piggy Bank discount store.

The Emmons School Parent-Teacher Organization will have its annual potluck supper this Friday, starting at 6 p.m. Parents are being asked to bring hot dishes, ready to serve 12 persons. If in doubt as to what you should bring, call Eileen Maginot at 395-918 or 395-2303. Movies will be shown to the children.

HAPPY BIRTHDAY NEXT MONDAY, Feb. 13, to Bob Lipinski, who teaches math and physical education at the Upper Grade School. (Hope all his students remember to wish him a 'Happy Birthday' on that day.)

Also, happy birthday on Tuesday, Feb. 14, to one of my Valentines: Dr. Richard Jones. (He's my dentist.)

JACQUELYN PATLA, wife of Vince, who owns the Brave Bull, is recuperating from surgery at the University of Wisconsin Hospital. Drop "Jackie" a card at 1300 University Ave., Madison, Wis., room 620.

Cousins Vi and Al Johantgen from the Yellowbird asked me to send Jacquelyn their very best wishes.

HEAR TELL Peggy Zeman, and Kerry and Don Astar, are forever grateful to Bob Yanka, Bob Kelley and Tim Mortensen. It seems the three men rescued them the night

of the blizzard. Of course, the rescuers were on snowmobiles. Three cheers for all the people who pitched in and helped during the blizzard!!!

The sawmill committee, a spinoff of Antioch's Bicentennial Commission, is hastily making plans for the July 4 dedication of the mill, which will begin operating on that date.

We'll have a working sawmill, similar to the one Hiram Buttrick, one of our early settlers, built on Sequoit Creek before we were even twinkles in anyone's eyes.

Betty Lu Williams, librarian, is in charge of naming the park that will be constructed at the sawmill site. The name probably will be Gages Brothers Park, in honor of Antioch's original land owners.

THE HISTORICAL LANDMARK should attract a lot of interest, especially among tourists.

A time capsule will be placed in the sawmill and sometime, way in the future, the people of Antioch will open it up and find out what life was like in the 1970's.

Pres Reckers, Dr. Jim Kopriva, Sue Koppa and Jerry Pfarr are on the time capsule committee. Some of their ideas for the capsule's contents: an aerial photo of Antioch, newspapers showing the events and prices of today, local restaurant menus, high school yearbooks and, maybe, the "important" crutches of our time: a small bottle of vodka, cigarettes, tranquilizers, Kentucky Fried Chicken, a "Big Mac" and a can of Coke (recycled). Maybe even The Pill. (Some of this is all in fun, of course.)

Women of the Moose

By Jerri Polson

Hospital committee chairman Roberta Knackstedt was escorted to the Senior Regents station, where she introduced members of her committee and presented checks to be sent to Mooseheart for the scholarship fund and to Moosehaven to purchase sheets for the senior citizens.

A favorable ballot was cast for Johanna Gasparini, sponsored by Sherrie Lovell, Moosehaven chairman. She will be enrolled at a later date. Sherrie announced that her committee will sponsor a card party on Mar. 11.

Condolences have been extended to Anne Carpenter on the loss of her husband and to Wilbur and Helen Peters on the loss of his mother, who is also the grandmother of Senior Regent Judy Cook.

Calendar of events: Feb. 12 - Bubbly breakfast - 9 to 11 a.m.; Feb. 18 - Third District meeting at Fox Lake; Feb. 19 - Green Cap program at Woodstock; Feb. 23 - Ritual Practice, 7:30 p.m.; Feb. 25 - Loyal Order enrollment, 7 p.m.

Mae Prazak won share-the-pot.

Did you know the celebrating of Valentine's Day commemorates the martyrdom of St. Valentine? The religious significance is no longer associated with the day, and the acceptance of St. Valentine as patron saint of lovers appears to have been accidental.

Regardless, Feb. 14 is the day everyone shows appreciation to family and friends, so don't forget next Tuesday is Valentine's Day.

If you're having trouble finding something for your Valentine, in addition to the traditional card, candy or flower gifts, delight your loved one with apparel or jewelry. This week Antioch merchants are displaying gifts galore for sweethearts of all ages.

"DEATH OF A SALESMAN" opens Saturday at Antioch's PM&L Theatre. The Arthur Miller play is the touching story of a salesman on his way out.

Avoid the disappointment of a sold-out show by calling 395-3055 for reservations.

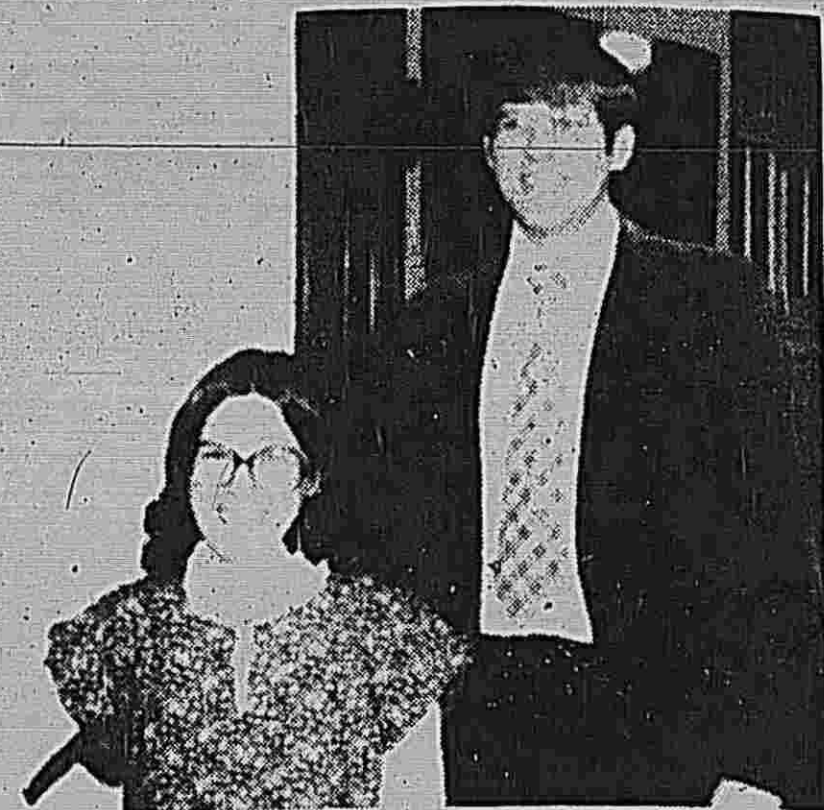

THIS WEEK MARKS The Boy Scouts of America's 68th anniversary.

We're proud of this fine organization of young boys with its high ideals and activities that help build character and promote physical and mental well-being.

Congratulations to our Scouts and their leaders.

THE OTHER DAY I spotted a clever saying in Don Pedersen's office.

"Success is never handed out! It is the direct result of knowledge and hard work." Isn't that the truth?

"TM - THE EFFECTIVE Technique to Eliminate Stress" will be the topic of a lecture on the Transcendental Meditation program at the Antioch Township Library, Wednesday, Feb. 15, at 7:30 p.m. Two qualified instructors of the TM technique, Jeff and Mary Murphy (above) will discuss the scientific research which indicates that people practicing the TM technique begin to experience expansion of mental potential, improved health and more successful behavior for themselves and the environment.

"Thanks to a cooperative effort of the park program, the First Bank of Antioch and the Antioch Savings and Loan, members of the cast will be preparing for opening night," she added.

THE DIRECTOR, Mr. Charlie Brown, promises an exciting play and, he said, "the display of some terrific young people's talent."

Antioch's girls lose 44-43 thriller

Last Saturday the Antioch High School girls varsity basketball team lost its third conference game 44-43. Woodstock led by more than 20 points in the third quarter when Antioch put on a change.

Led by Cathy Aschbacher and Chris Byrne, Antioch outscored Woodstock 20-2 in the fourth quarter. It was the best quarter Antioch has played all season.

With 10 seconds to go Antioch pulled within one point. Then three shots by Antioch failed to fall in and the game ended at 44-43.

The girls' next conference game is this Saturday at Stevenson.

Against Woodstock, Cathy Aschbacher finished with 19 points, making nine field goals, and Chris Byrne made six of eight free throws to finish with 10 points. Sherry Weitz, Jeanie Tague, Michelle Wolf and Pam Parker also contributed to the scoring.

Antioch bowlers 2nd in district

Antioch High School's girls bowling team averaged 154 per game to place second in the district tournament held at Lakes Bowl in Round Lake.

The winner, Grant of Fox Lake, averaged 157 per bowler.

The top individual bowler of the six schools participating was Antioch's Jill Levoe, who averaged 168 for the day. She also had the highest three-game series, 546, an average of 182.

Jill, a sophomore, averaged 152 for the season, an increase of 11 pins over her average of last winter. This season she had two games over 200 and had series exceeding 500.

OTHER ANTIOCH AVERAGES in the district tournament were Lori Meyer's 165, Janie Jorgensen's 148, Cindy Toole's 146 and Donna Hall's 144. Lori Meyer and Jill Levoe had 200 games while Janie Jorgensen had a 196.

The Antioch team's coach, Teresa Dempksi, said:

"The district tournament was the most exciting of the past three years. After winning the conference tournament, Grant expected to capture the district title."

The schools participating were Antioch, Grant, Grayslake, Round Lake, Wauconda and Warren.

"Although Warren, Grayslake and Antioch failed to overcome Grant, the three schools did succeed in frightening Grant a bit," Miss Dempksi said.

The "two-round pin totals" and team averages have increased in the last two years.

"In short, the competition is getting tougher, the spirit for winning is becoming greater, the enthusiasm is growing better and the bowling scores are rising higher. Next year, it may take a team to bowl a 160 average to win the title instead of a 151, 147, 152 or a 157 average," Miss Dempksi said.

Antioch High's "most improved bowler" is Debbie Siems, a sophomore. She increased her average by 13 pins, starting the season with a 101 average and ending with 114.

Frosh stay unbeaten

Last Saturday Cary-Grove became the 11th victim of Antioch's freshman basketball team as the young Sequoits remained undefeated in conference play. The score was 61-32. Overall the frosh are 12-3.

Antioch led from the beginning despite the fact the Sequoits did not play one of their better games. Twenty turnovers and

some poor shooting held the score down.

Rebounding and balanced scoring were the continuing strengths for the frosh team. Antioch has out-rebounded every team it has faced. In winning nine straight games since the Christmas tournament, three or four players usual-

ly contribute to the scoring.

How electricity is helping the Ball Corporation preserve scarce fuels.

The Ball Corporation is famous for making glass jars that preserve just about anything. From apples to strawberries. Their glassmaking, however, burns a lot of scarce fuels. So when Ball decided to switch part of their production to electricity, they were helping all of us.

That's because electricity is plentiful here in northern Illinois. Ninety percent of it comes from coal and uranium—two fuels in good supply.

So whenever you or a company like Ball, use electricity instead of a scarce fuel, you're actually conserving that fuel for transportation and other vital energy needs.

And that knowledge is as sweet as strawberry preserves.

Wrestlers win conference title

Antioch High School captured the conference wrestling tournament Saturday at Round Lake, and with it the conference wrestling championship.

The tournament was one of the most exciting in years as Antioch and Grant struggled against each other all day in a see-saw battle that saw the Sequoits winning by 1½ points, 156 to 154½.

THE SEQUOITS HELD a slim lead all afternoon but the Grant team placed well in the consolations and took the lead for the first time at the end of the 185 lb. weight class, 154½ to 152.

The final match was at heavyweight, where Rich Packert of Antioch opposed Grant's Shawn Savage.

Packert and Savage had met twice before with Packert winning at the Lake County tournament and Savage in a dual meet.

If Packert won the victory was worth 4 points and a Sequoit championship. The first period was scoreless as both wrestlers were very cautious. Packert was down in the second period but escaped quickly to lead 1-0.

Twice in that period Packert almost scored takedowns at the edge of the mat. In the third period, Packert consistently stopped Savage's attempts to score and rode him out for a 1-0 victory.

ELEVEN OF THE Sequoits scored points and placed. Every point scored was crucial to the team victory. The Antioch victory was indeed a team championship. At 98 lbs. Antioch's Dave Unrien (23-2) was out of the line-up with the measles. JV star Glen McCollum stepped in and scored a pin and finished fourth in his first varsity appearance.

AT 105, Jon Gibson met Grant's match-up. Last year Gibson had edged Manusos twice. This year the Antioch star scored early and often to win 8-1.

At 112, Tim Haviland took third with a 10-2 major win over Warren's Rob Elsbury. Tim had previously been defeated by Elsbury.

At 119, Jeff Gross placed third with a 9-6 win over Grayslake's Frank Mazuca.

At 126, Marvin Gibson took second. In the semifinals he defeated Dan Sanko of Grant in another Grant-Antioch classic.

At 132, Glen Kaht scored a major decision in the first period and took fourth place.

AT 138, VIC MANNINA upset third-seed Bill Staples of Grayslake and, after a loss in the semifinals, came back to take third place.

At 145, Kirk Sarmon went to the finals but lost a close 5-4 decision to Round Lake's freshman sensation, Mark Wilson.

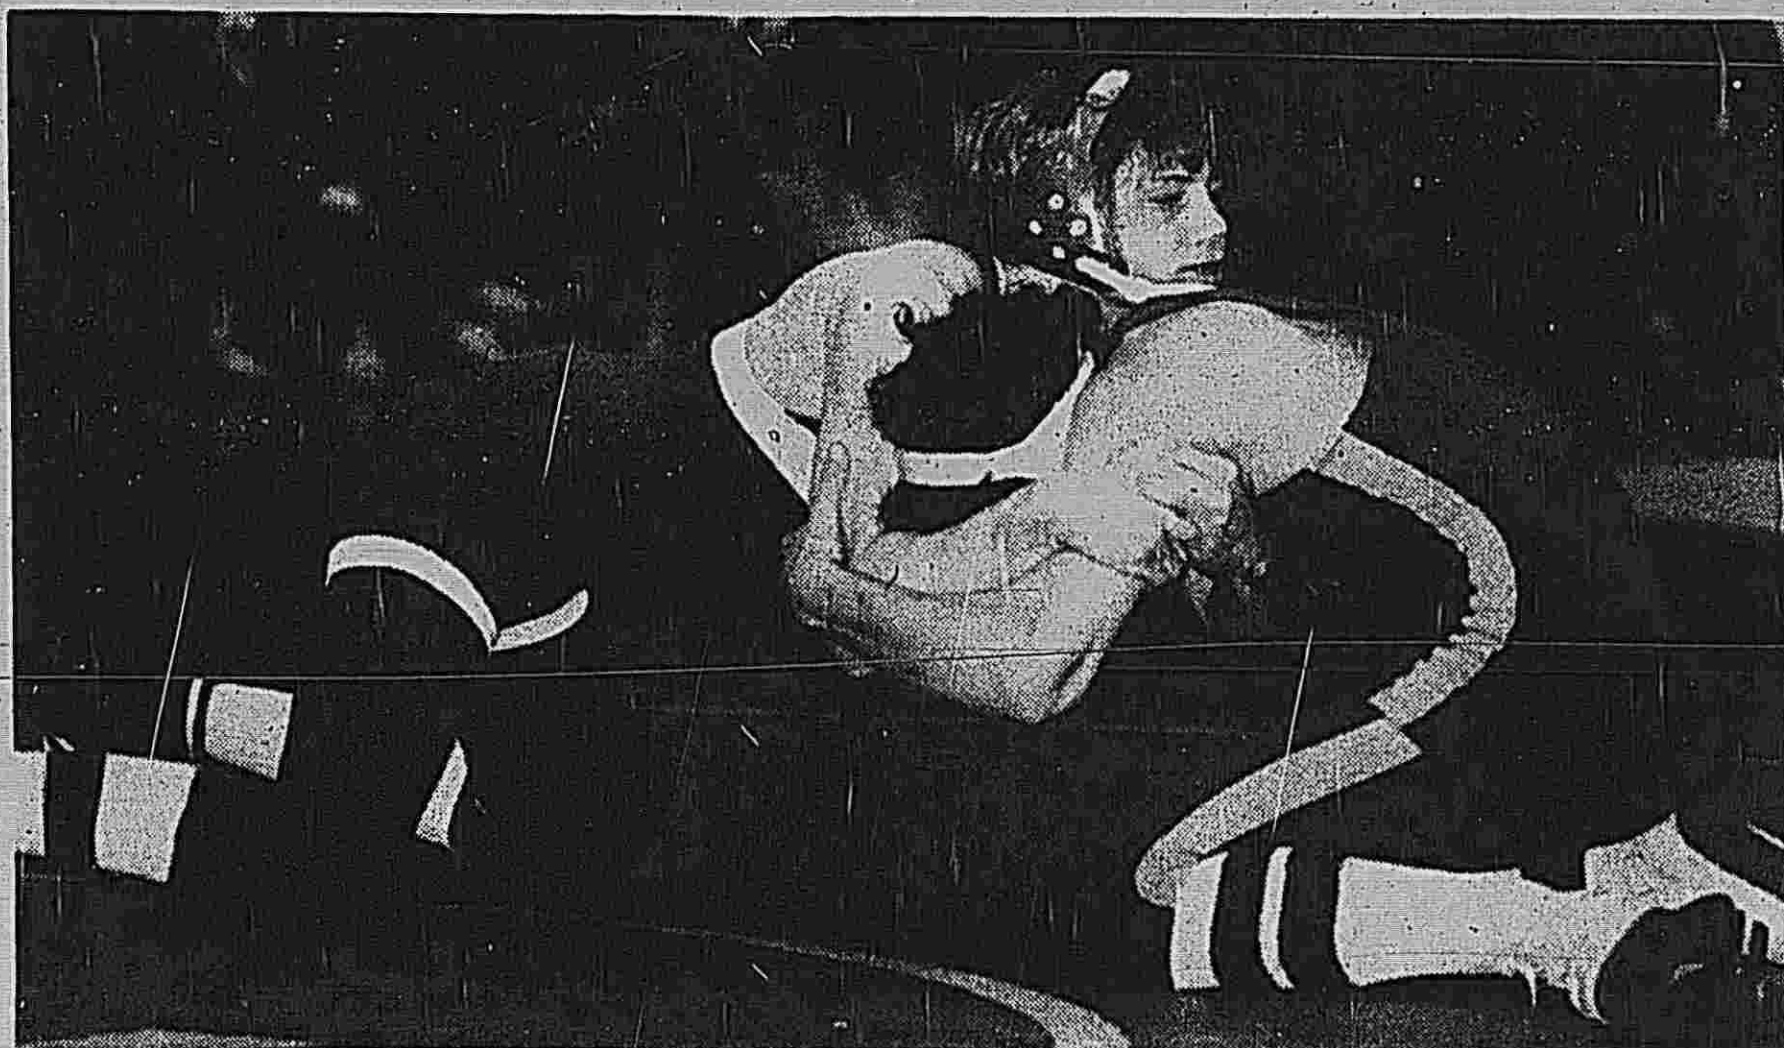

At 155, Gene Lehn scored two falls. In the championship, Gene pinned Warren's Fred Witt in 1:18.

At 167, Jeff Thiel lost a close 4-1 decision to Round Lake's Kim Wilson and was eliminated when Wilson lost to the eventual champion, Eric Von Besser of Stevenson.

AT 185, DAVE ASCHBACHER beat Grant's Pat Lambert 5-2. Lambert had previously defeated Dave in a dual meet. Dave finished second at 185.

At heavyweight, Packert won the title with his 1-0 decision.

Antioch's return to the top spot in the conference is its first title since 1973. The Sequoits have been close for the last few years, finishing second with only one senior in the lineup the future looks terrific, coach Ted DeRousse said.

Friday and Saturday: district mat meet here

The Illinois High School district wrestling tournament will be hosted by Antioch Friday and Saturday.

The first session will be 7:00 Friday night with the semifinals at 12:30 Saturday and the finals at 6:30 Saturday night.

The district is the first qualifying tournament in the

state championship series. The first and second place winners advance to the sectional tournament to be hosted by Barrington Feb. 17-18.

The first, second and third place winners from the sectional advance to the state tournament at the University of Illinois Feb. 24-25.

ANTIOCH HAS WON the district two of the last three years and, based on its conference championship last week, has to figure as a favorite.

Antioch's hopes for a possible championship and the chance to advance to the sectional appear to be:

Jon Gibson, 98 pounds - Jon has been wrestling at 105 most of the year and has compiled a 37-1 record. His toughest opponent could be teammate Dave Unrien (23-2) who should return from a bout with the measles this week.

Marvin Gibson, 119 - Marvin is 31-5-2 for the year with most of his record at 126. Last year Marvin won the district, sectional and placed 4th in the state.

Gene Lehn, 155 - Gene is 23-8 on the year and has not lost since Christmas. This junior co-captain is wrestling well.

Rich Packert, hwt. - Rich has been an outstanding performer with a 29-5 record. Competition will be especially tough in his weight class.

OTHER ANTIOCH ENTRIES who could win and qualify include Tim Haviland, 105; Jeff Gross or Randy Larsen, 126; Glen Kaht or Jim Fasnatch, 138; Vic Mannina, 145; Kirt Sarmont, 167; Jeff Thiel and Dave Aschbacher, 167 or 185.

Antioch swimmers smash records in 48-hour marathon

Three Antioch youngsters proved their strength and endurance as they smashed all existing individual records in the 1978 YMCA of Greater Lake County "Swim-A-Rama."

This was the seventh such affair held at the Central "Y" pool in Waukegan, and ran 48 continuous hours. The goal of the affair is to raise money for the YMCA swim program.

Leading the record onslaught was Jack Fields, who set a new boys record of 55 miles in the two-day period. To accomplish this mark, Jack had to swim 4,840 lengths of the pool or average just over 100 lengths per hour. He eclipsed the old record by four miles.

FOR THE GIRLS, Jean Cilik and Karen Shepard each set the new mark of 36½ miles, just barely breaking the old mark of 36¼ miles.

Both girls had just about given up breaking the record early Sunday afternoon, but then put on a determined effort the last three hours, covering 4½ miles in this period to finish the record-breaking quarter-mile just as the 48 hour marathon ended.

In all, Antioch swimmers accounted for 375 miles to the total 1,576½ miles swam in the event.

This total included Ted Bessette with 27¼ miles to lead the 13 and 14 year old boys group and Russ Ivy with 8¼ miles to lead the 8 and under boys group.

Judy Houghton had the second greatest mileage for girls 15 to 18, with 25, Colleen Kelly was second for girls 8 and under with 9 miles, and Kaky Kelly was second for girls 9 and 10, with 12 miles swum.

Five year old Kim White, the smallest and youngest swimmer in the 134 youngster squad, swam two miles, in an inspirational effort for the rest of the team.

OTHER LOCAL SWIMMERS and their mileage were Craig White 22, Margaret Ivy 18, Ted White 17, Ann Ivy 16, Kevin Shepard 15, Julie Wierschem 12, Kim Nicholl 11½, Kerry Kelly 10¼, Brandy Nicholl 10, Bryan White 10, Katie Shepard 8, Kris Shepard 8, and Tommy Nicholl 5½.

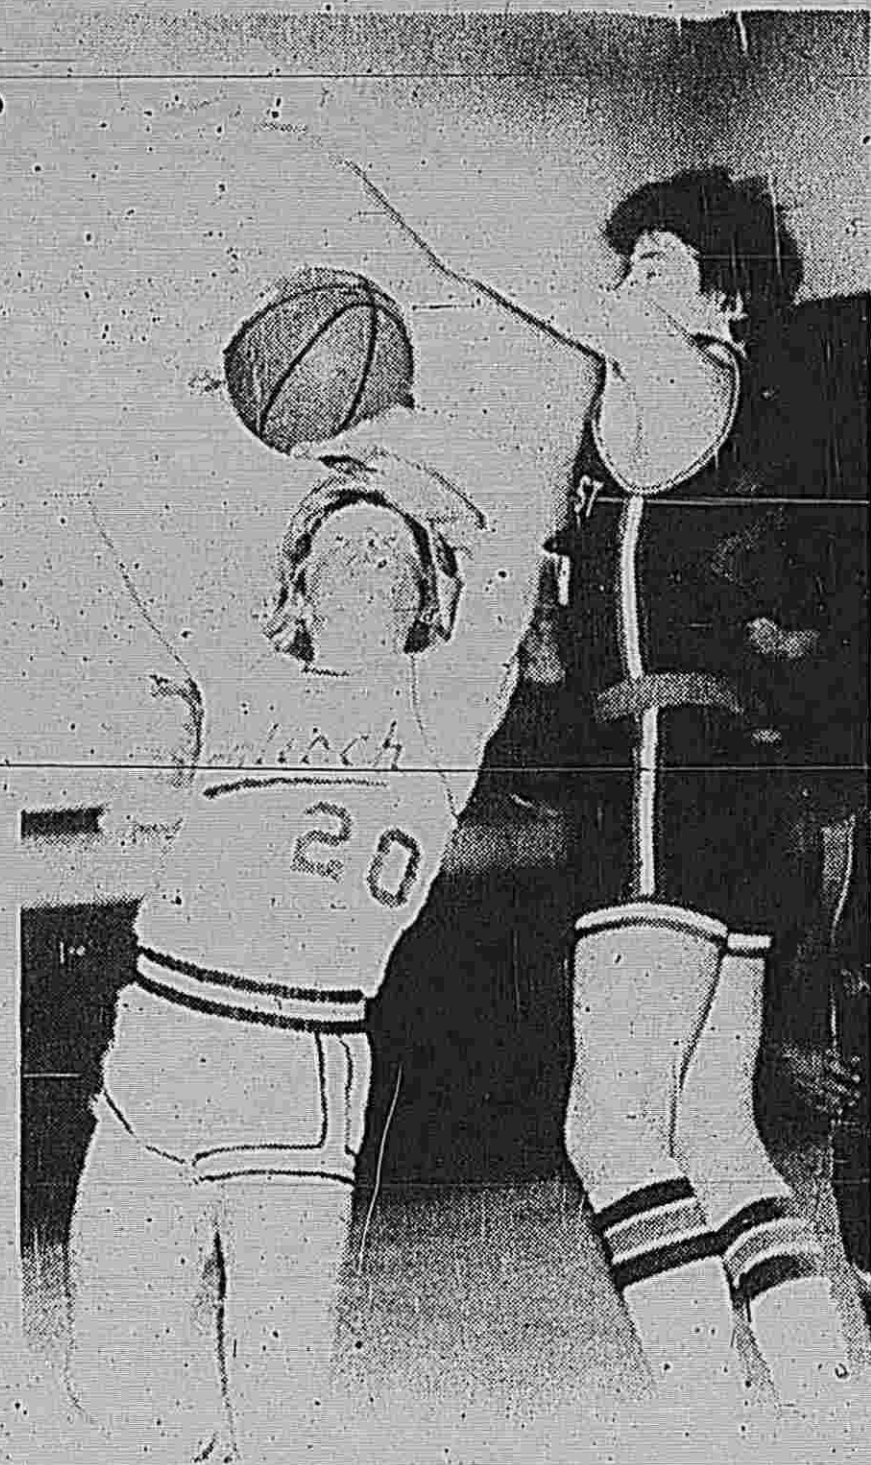

Frosh wrestlers complete season

The Antioch High School freshman wrestlers completed a very successful season this past week. The Sequoits finished the 1977-78 schedule by claiming the Championship Trophy from the 8-team Warren Invitational Tourney; the 3rd place trophy from the 8-team Grayslake Tourney and a very fine 4th place finish in the 12-team Crown Invitational Tournament.

The young Sequoits were very strong in tournament competition, but were limited in success in dual meets with a season record of 5-7.

Final freshmen records are:

Ted Bessette, 14-0; Jeff Canella, 14-5; Joe Carrubba, 4-7; Stuart Dagleisch, 13-5; John Domkowski, 11-9; Lance Eastman, 4-4; Jim Harnisch, 0-11; Bob Hubbard, 14-5; Steve Jennrich, 12-6; Dan Larsen, 19-5; Mike Mercer, 10-15; Dave Mohar, 9-4; Bruce Nelson, 4-6; Bob Purdy, 2-1; Don Purfeerst, 5-4; Tom Smith, 1-4; Tim Tague, 0-12; Tony Trajkovich, 5-12; Vic Twomey, 0-2; Scott Wolf, 14-7.

A BASKET BY MATT STEVENS saved the day for Antioch's Upper Grade School basketball team as it won its own tournament last Saturday despite a late threat by its rival in the finals, Oak Crest of Zion.

Regional basketball here

Pairings have been announced for the 1978 Class AA regional basketball tournament to be held at Antioch High School.

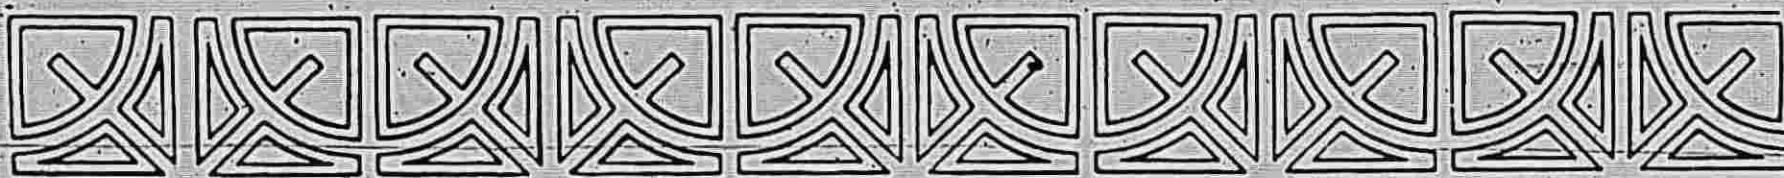

Antioch is one of 56 regional sites in the state.

Opening games will be played here on Wednesday, Mar. 1, with the home team facing Grant of Fox Lake at 7 p.m. In the second

game that night, Grayslake plays Round Lake.

The Wednesday winners will return to the Antioch gym on Friday, Mar. 3, to play for the regional championship at 7:30 p.m.

The winner of the Antioch regional will advance to sectional play the following week at Rockford Boylan.

Upper Grade cagers win their tournament

The Antioch Apaches won their third annual eight-team invitational basketball tournament Saturday night, defeating Oak Crest of Zion 31-26 in the championship game.

After taking a 25-11 lead, it appeared that someone put a lid on the Upper Grade school's basket. Hardly anything the Apaches shot went in, and Oak Crest rallied to within two points, 28-26.

A key basket by Matt Stevens in the final minute iced the game for Antioch.

Following is a game-by-game rundown of the tournament:

Lake Villa vs. Emmons - The defending champion Emmons Raiders opened the tournament with a convincing 50-37 victory over a taller Lake Villa team. The scrappy Emmons team used quick passes to move around the Lake Villa zone, getting 24 points from the combination of Steve Sheedlo and Scott Poulter. Al Coons seemed to be ever-present to grab rebound after rebound for Emmons.

However, as good as Emmons was on offense, its defense held Lake Villa's best scorer to just 2 points in the second half after he had scored 13 points in the first half. This proved to be the deciding factor.

Oak Crest vs. Salem - It was this game that established the character and style of play which was to carry Oak Crest through the tournament. Oak Crest trailed by as many as 8 points with only four minutes remaining, but battled back and eventually won 38-32 in overtime.

Antioch vs. Lake Zurich - Antioch used a trapping defense to take a 14-2 first quarter lead and was never challenged. Gordy Nasenbeny led a balanced scoring attack with 12 points for Antioch. Final score: Antioch 39, Lake Zurich 26.

Round Lake vs. St. Peter's - In one of the most exciting games of the tournament Round Lake used a "never say die" attitude. Round Lake came from 4 points behind in the second overtime period to defeat St. Peter's 52-48.

Dan Kraessig of Round Lake, the tournament's third leading scorer, led the Round Lakers with 15 points. Butch Zannini, Higgins and Larson combined for 34 points for the royal and white St. Peter's Squad.

Emmons vs. Oak Crest - A pesky Emmons squad surprised the fans by staying right with the taller Oak Crest team and actually held the lead into the third quarter. It was at this point that Emmons' shooting went sour and the strength of Oak Crest started to wear Emmons down.

Final score: Oak Crest 52, Emmons 41.

Antioch vs. Round Lake - Antioch roared through Round Lake's press and blistered the nets for 20 first-quarter points to take an 11-point lead. Round Lake closed the gap to 6 points at half-time, but Antioch scored 13 straight points in the third quarter, sparked by Mike Pinkham, to put the game out of reach.

Antioch's defense held Round Lake's Dan Kraessig to 6 points while Bob Gatti led Antioch with 12 points. Final score: Antioch 49 Round Lake 31.

Emmons vs. Round Lake - Emmons came out firing and charged to an early lead behind 11 first-half points by Bob Thain. However, Round Lake came storming back in the second half. In fact, when Kraessig dazzled the crowd with a 20-foot sky hook, Round Lake was within striking distance.

ANTIOCH'S APACHES WON their own invitational basketball tournament last Saturday. Some of the players are pictured with their coach, Rick Herdlika, after receiving the championship trophy.

In the nick of time Al Coons started sweeping the backboards of missed shots and Steve Sheedlo broke up the Round Lake defense with some swirling drives to the basket for Emmons. When the final horn sounded, Emmons was the third place winner by a final score of 54-39.

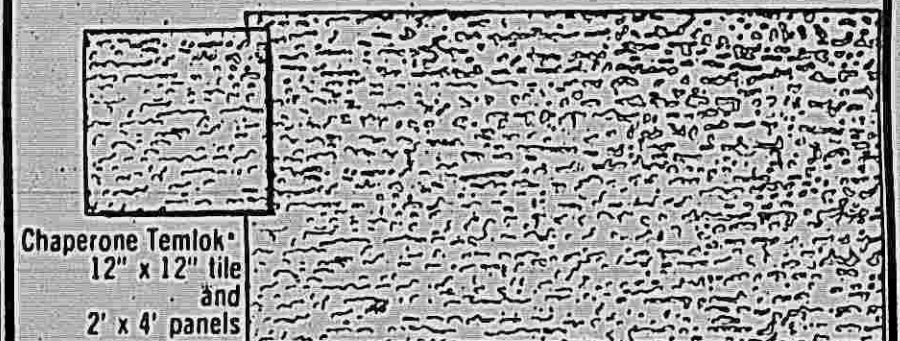

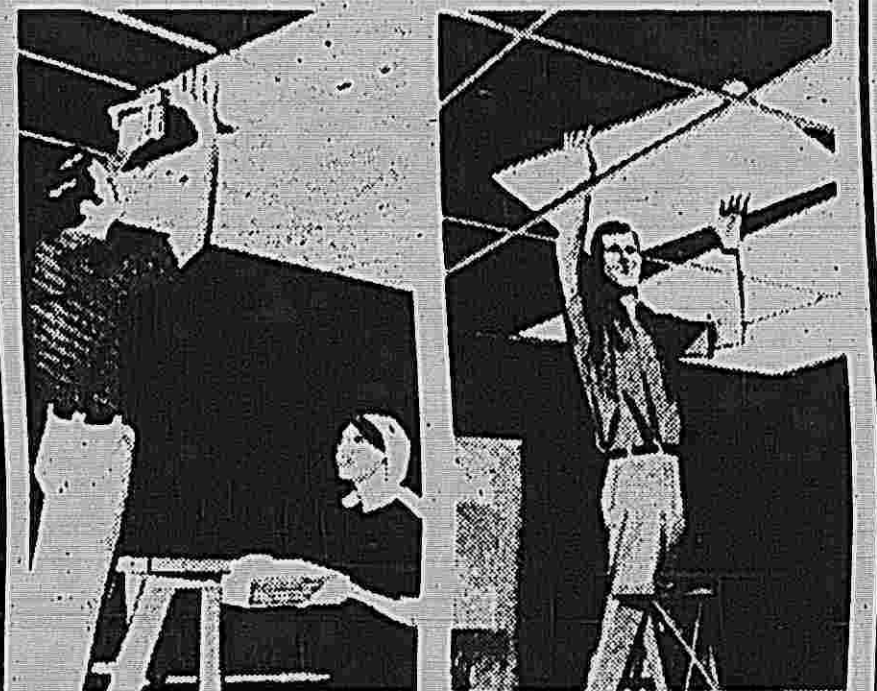

Oak Crest vs. Antioch (Championship game) Antioch's strong trapping defense caused Oak Crest headaches for the first three quarters of the game as Antioch built up a 25-11 lead. Carl Amundsen and Bob Gatti banged the rebounding boards and Gordy Nasenbeny cleverly set up Dean Berkiel and Mike Pinkham for baskets with his silky passes.

Then, as had been the case in Oak Crest's two previous tournament games, the Indians fought back. Led by the tournament's two leading scorers, Russ Edwards (43 points) and Doug Marocco (41 points), Oak Crest closed the Antioch lead to just two points with a minute remaining in the game. It was at this point that Antioch's Matt Stevens dribbled the length of the floor through the Oak Crest press and tossed in a twisting, one-handed jump shot. Al Ware and Dennis Cardiff then eluded the Oak Crest defense with ball control tactics to insure the championship win for the Apaches of Antioch. Final score: Antioch 31, Oak Crest 26.

The Antioch squad finished the season with 9 wins in its last 10 games. The only loss was a 44-41 setback at Zion Central.

Kneeling (left to right): George Boyd, Mike Pinkham, Mike McBrady, Tom Haviland, Mike Cheverette, Dean Berkiel, Allan Ware, Tom Bailey and Dennis Cardiff. Standing (left to right): Coach Herdlika, Brett Palmer, Gordy Nasenbeny, Bob Gatti, Carl Amundsen and Matt Stevens.

Sequoits face showdown with Warren

Andrews' team survives 2 tough tests

Antioch High's basketball team, sporting an 11-0 record in the conference, disposed of two tough opponents last week.

On Wednesday Coach Roger Andrews' Sequoits got past Wauconda, 69-66. Wauconda was leading the South Division with a 7-2 record.

Then, on Friday, Antioch traveled to Cary-Grove, a team that had a 6-3 record, and emerged with an impressive 80-64 win.

WITH FOUR CONFERENCE GAMES remaining, Antioch will take its 11-0 record to Warren Friday night. The important North Division battle starts at 8 p.m. and Warren, which is 9-2 in the standings, is the only team with a chance to spoil Antioch's hopes for an undisputed title.

Antioch defeated Warren here on Dec. 2 by a score of 58-45. Warren is tough ... the Blue Devils trimmed Wauconda 57-48 last week as their 6-6 junior center, Dave Kolar, scored 19 points.

Antioch also plays Saturday night, 8 o'clock, at Round Lake. Round Lake is 0-11 in the conference and was beaten by Antioch in December by a score of 62-38.

Incidentally, that same week Antioch upset North Chicago by three points, and North Chicago (from another conference) was ranked 13th in the state this week by the Chicago Tribune.

ANTIOCH'S 69-66 WIN over Wauconda's Bulldogs was a game well played by both teams.

"Our players showed some real poise and determination, fighting off a fine opponent," said Coach Andrews.

Antioch was sharp at first, taking a 21-11 lead, but Wauconda fought back to tie the score at 30-30. Then, by the end of the third quarter, Antioch had built a 57-48 lead. Wauconda outscored the Sequoits 18-12 in the final period.

The important third-quarter surge was led by Antioch's top scorer, Bill Dubek, who hit for five baskets.

Wauconda rallied again and trailed by only 65-64 with 12 seconds left in the game. Two free throws by Brian Andrews iced the victory for Antioch ... almost. Wauconda came back with a basket to close the gap to 67-66. In the final second, Andrews was fouled and sank two more free throws to make it 69-66.

"Dubek had an outstanding game," said Coach Roger Andrews. "So did Tim Huebner and the rest of the Sequoits."

DUBEK MADE 11 of his 18 field goal attempts and finished with 23 points. John Eder hit for 14, Huebner had 13 points and 14 rebounds, and Brian Andrews scored 10 points.

Last Friday, in the 80-64 win over Cary-Grove, Dubek really got hot, hitting 14 of 25 field goal attempts and finishing with 31 points. Tracy Sodman contributed 13 points, sinking 9 of 11 free throw chances. Brian Andrews and Tim Huebner each had 12 points. Huebner pulled down 17 rebounds and Sodman 14.

Cary-Grove's center, Steve Sherwood, scored 28 points. Dubek scored from several spots on the court as Antioch broke open the game in the second quarter with a 25-15 advantage that carried it to a 39-28 halftime lead. The outcome was never in doubt after that.

Cary's Dave Sroka, who leads the league in scoring, was held to 14 points.

Antioch overwhelmed the Trojans on the backboards by grabbing 58 rebounds to 30 for the host club.

The Sequoits made 48 percent, 29 of 57, of their field goal attempts.

"We really played a strong defensive game," said Coach Andrews. "The kids just did a super job. We had Andrews and Eder switch off on Sroka and they were very good. He (Sroka) got only one basket in the first half (when Andrews was guarding him)."

"Defensively, we were strong," added Antioch's coach.
